ABOUT ME

I'm Ranjeet from Unnao, UttarPradesh, with a background in Bachelor of Science. I transitioned into web development through training at Masai School, becoming a Full Stack Web Developer. Passionate about creating user-friendly web solutions, I bring dedication, problem-solving skills, and a drive for innovation to every project. Ready to contribute and collaborate in dynamic teams.

MY PROJECT

○ **Adventour**
this is an e-commerce website that provide the lucrative tour packages all around the world. This was a team project and my responsibilty was to build the product page
